Asset and Liability Statement

1

Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Independent Auditor's Report

To the Plan Administrator
Allied Pilots Association Survivor Benefit Plan
Fort Worth, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Allied Pilots Association Survivor Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

1. Description of the Plan

The following description of the Allied Pilots Association Survivor Benefit Plan (the Plan) provides only general information about the Plan's provisions. Participants should refer to the plan agreement for a complete description of the Plan's provisions.

General

The Plan (formerly known as Allied Pilots Association Catastrophic Major Medical Benefit Plan) was established on November 1, 1970, to provide benefits to eligible members of Allied Pilots Association (APA, Plan Sponsor, or Plan Administrator), as set forth in the plan agreement. The assets of the Plan are held in the Allied Pilots Association Welfare Benefits Master Trust (the Master Trust), which also holds the assets of additional APA benefit plans (the Participating Plans). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Eligibility

The Plan covers all pilots on the system seniority list with the following exceptions: 1) disabled members will be eligible for as long as they are disabled or until their employment status changes to retired or terminated; 2) furloughed members will be eligible for the first two years following the date of furlough; and 3) Terminated Awaiting Grievance (TAG) members will be eligible during the period from their termination until the grievance is resolved, but in no event more than five years following the date of termination.

Contributions

Participants are not required to contribute to the Plan. The Plan Sponsor contributes to the Plan as necessary to sufficiently cover future claims and Plan expenses.

Self-insured Benefits

The Plan provides a death benefit of \$25,000 to a participant's beneficiary. The beneficiary must file the claim within 24 months following the death of the eligible Plan participant.

All Plan benefits are self-insured. Plan claims are administered and processed by NGS Insurance Agency, Inc., the Plan's third-party claims processor, under an administrative services only (ASO) arrangement. Benefits were paid through NGS Insurance Agency, Inc. The claims are paid from accounts maintained by State Street Bank and Trust Company (the Trustee) for that purpose. Despite the Plan's utilization of a third-party claims processor, ultimate responsibility for payments to providers and participants is retained by the Plan.

2. Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Notes to Financial Statements

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires the Plan Sponsor to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Claim payments are recorded when paid by the third-party claims processor.

Investment Valuation and Income Recognition

Investments in the Master Trust are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by its custodian. Purchases and sales of investments are recorded on a trade-date basis. Investment income or loss is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

3. Benefit Obligations

Plan obligations include claims payable and claims incurred but not reported. Claims payable are those claims that have been approved for payment but not yet paid as of year end. Claims incurred but not reported are those claims incurred but not reported at year-end but currently payable related to deaths of eligible participants on or before year-end for which the eligible participant benefit of \$25,000 has not yet been paid.

The Plan's benefit obligations are as follows:

<i>December 31,</i>	2024	2023
Amounts Currently Payable		
Claims payable and claims incurred but not reported	\$ 25,000	\$ 75,000

The changes in the Plan's total benefit obligations are as follows:

<i>Year ended December 31, 2024</i>		
Amounts Currently Payable		
Balance, beginning of year	\$	75,000
Claims incurred		375,000
Claims paid, net		(425,000)
Balance, end of year	\$	25,000

Allied Pilots Association Survivor Benefit Plan

Notes to Financial Statements

Plan obligations at December 31 for claims incurred but not reported are estimated by the Plan's actuary in accordance with accepted actuarial principles based on claims data provided by the Plan's third-party claims administrator. These amounts are paid by the Plan only if claims are submitted and approved for payment.

The Plan Sponsor makes contributions to the Plan as needed to fund claims. Any deficiency of the Plan's net assets over benefit obligations is funded by the Plan Sponsor.

4. Information Certified by the Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, State Street Bank and Trust Company, the Trustee, a qualified institution, has certified that the following investment information included in the accompanying financial statements is complete and accurate:

- Plan interest in Allied Pilots Association Welfare Benefits Master Trust as shown in the statements of net assets available for benefits as of December 31, 2024 and 2023.
- Plan interest in Allied Pilots Association Welfare Benefits Master Trust investment income shown in the statement of changes in net assets available for benefits for the year ended December 31, 2024.
- Investment information included in the footnotes to the financial statements as of December 31, 2024 and 2023.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements.

5. Interest in Master Trust

The Plan's investments are in the Master Trust, which was established for the investment of assets of the Plan and the assets of Participating Plans. Each Participating Plan has an undivided interest in the Master Trust as of December 31, 2024 and 2023. The assets of the Master Trust are held by the Trustee.

The value of the Plan's interest in the Master Trust is based on the beginning of year value of the Plan's interest in the trust plus actual contributions and allocated investment income or loss less actual distributions and allocated administrative expenses, which approximates the Plan's interest in the Master Trust at year end. As of December 31, 2024 and 2023, the Plan's undivided interest in the net assets of the Master Trust was approximately 1% and 1%, respectively. Investment income or loss and administrative expenses relating to the Master Trust are allocated to the Participating Plans based upon the average monthly balances invested by each plan. Each plan continues to be operated under its current plan agreement and pays its plan benefits and allocated administrative expenses.

Notes to Financial Statements

The following are net appreciation of the fair value of investments and investment income for the Master Trust:

Year ended December 31, 2024

Interest, dividends and other	\$ 4,086,338
Net appreciation of fair value of investments	12,063,437
Total Master Trust Investment Income	\$ 16,149,775

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Money Market Funds - These assets are valued at the daily closing price as reported by the fund.

Mutual Funds - These assets are valued at the daily closing price as reported by the fund. Mutual funds held by the Master Trust are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Master Trust are deemed to be actively traded.

Notes to Financial Statements

Common Collective Trusts (CCTs), Commingled Fund, Limited Partnership (LP), and Real Estate Investment Trust (REIT) - These assets are valued at the NAV of units held. The NAV, as provided by the trustee or administrator of the CCT and commingled fund, as determined by the general partner of the LP, and as provided by the fund manager of the REIT, is used to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Transactions (purchases and sales) may occur daily. Were the Master Trust to initiate a full redemption of the investment, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Fixed Income and Fixed Income-Related Securities - This category includes corporate debt, collateralized mortgage obligations, mortgage pass through, and U.S. Treasury bonds. These assets are generally valued at the bid price or the average of the bid and ask price. Prices are based on observable market information in primary markets or a broker quote in an over-the-counter market.

Collective Investment Trust - Collective investment trusts are valued at the NAV of units held. The NAV is based on the fair value of the underlying investments held by the CIT less its liabilities. The fair value of the underlying investments is determined using market quotations or prices obtained from independent pricing sources that may employ various pricing methods to value the investments, including matrix pricing.

The following tables set forth by level, within the fair value hierarchy, the Master Trust's investments, at fair value on a recurring basis:

Allied Pilots Association Survivor Benefit Plan

Notes to Financial Statements

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

The preceding methods described may produce a fair value calculation which may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

6. Administrative Expenses

The Master Trust pays all administrative expenses of the Participating Plans. All administrative expenses are then allocated by the Master Trust to the Participating Plans in accordance with the plan agreement. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. APA, at its sole discretion, may elect to pay any such expenses. APA did not pay any plan expenses during 2024.

Allocated administrative expenses to the Plan consist of the following expenses:

Year ended December 31, 2024

Plan administration	\$	119,455
Accounting and consulting		70,965
Investment management		981
Trustee		3,541
Legal		7,131
Insurance		1,991
Total Administrative Expenses	\$	204,064

7. Tax Status

The Master Trust established to hold the Plan's assets is intended to qualify pursuant to Section 501(c)(9) of the Internal Revenue Code (IRC), and accordingly, the Master Trust's net investment income or loss is exempt from income taxes. The Master Trust has obtained a favorable tax exemption letter from the Internal Revenue Service (IRS) dated August 13, 1997, stating that the Master Trust used to pay benefits is qualified pursuant to Section 501(c)(9) of the IRC. The Master Trust has been amended since receiving the letter. The Plan Administrator believes that the Master Trust, as amended, continues to qualify and to operate in accordance with applicable provisions of the IRC.

GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Plan Termination

Although it has not expressed any intention to do so, the Plan Sponsor, by a formal resolution of its board of directors, has the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, notice shall be given to all participants as to the date that benefits shall cease. Upon the dissolution of the Plan and after outstanding and unpaid claims have been filed and cleared, assets remaining in the Plan will be allocated first to pay administrative expenses and fees for professional services provided; then to pay benefits to participants with respect to claims arising prior to the date of termination or such earlier date as the Plan Administrator may designate; and finally, to provide life, sickness, accident, or other benefits as defined in Section 501(c)(9) of the IRC. No assets of the Plan may revert to the Plan Sponsor or be used for purposes other than for the exclusive benefit of the Plan's participants.

9. Related Party and Party-in-Interest Transactions

As of December 31, 2024 and 2023, the Master Trust contains approximately \$3.9 million and \$8.9 million, respectively, of investments that are managed by the Trustee. As of December 31, 2024 there were no common collective trusts and mutual funds that are managed by entities that provide investment management services to the Master Trust. As of December 31, 2023 there was \$82.3 million of common collective trusts and mutual funds that are managed by entities that provide investment management services to the Master Trust. During the plan year ended December 31, 2024, the Plan paid various administrative expenses, as noted in Note 6, to service providers of the Plan. These transactions are party-in-interest transactions, which are exempt from prohibited transaction rules.

Certain administrative functions of the Plan are performed by an officer or employees of the Sponsor. No such officer or employee receives compensation from the Plan.

10. Risks and Uncertainties

The Plan, through its investment in the Master Trust, invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, claims trends, and member demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

As of December 31, 2024 and 2023, the Master Trust had investments of \$153,119,091 and \$96,505,468, respectively, that were concentrated in four funds (Baird Core Plus Bond Fund, LA Core Fixed Income Trust II MQ, Columbus Core Plus Bond LLC, and Russell 3000 Equity Index Fund) and three funds (Wellington Trust International Research Equity CCT, BlackRock Equity Index Fund B CCT, and T. Rowe Price Institutional Small Cap), respectively.

11. Subsequent Events

Effective January 1, 2025, the Plan changed Trustees to BOK Financial. The Plan Sponsor has evaluated events for the Plan through July 28, 2025, the date the financial statements were available to be issued.

12. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

<i>December 31,</i>	2024	2023
Net Assets Available for Benefits , per financial statements	\$ 2,448,541	\$ 1,927,263
Benefit obligations currently payable	(25,000)	(75,000)
Net Assets Available for Benefits , per Form 5500	\$ 2,423,541	\$ 1,852,263

The following is a reconciliation of claims paid per the financial statements to the Form 5500:

<i>Year ended December 31, 2024</i>		
Claims Paid , per financial statements	\$	425,000
Add: amounts currently payable at December 31, 2024		25,000
Less: amounts currently payable at December 31, 2023		(75,000)
Claims Paid , per Form 5500	\$	375,000

Amounts currently payable to or for participants, dependents and beneficiaries are recorded on the Form 5500 for claims that have been processed and approved for payment prior to December 31, 2024 and 2023, but not yet paid as of that date.
