Insured by MetLife Effective
March 1, 2026

The Group Term Life and Voluntary Accidental Death and Dismemberment Insurance coverages are underwritten by MetLife, One Madison Avenue, New York, New York 10010-369075. This brochure is intended to be a summary of your benefits and does not include all plan provisions, exclusions and limitations. A Booklet-Certificate with complete plan information, including limitations and exclusions, will be provided. If there is a discrepancy between this document and the Booklet-Certificate issued by MetLife, the terms of the Booklet-Certificate will govern.

For Active Members

INSURANCE AMOUNT

APA members may apply for amounts of coverage from \$50,000 to \$1,750,000. In addition, APA members may apply for:

- Spouse coverage in amounts of up to 50 percent of the member's coverage up to \$500,000; and
- Coverage for dependent children in the amount of \$10,000.

ELIGIBILITY

Active APA members may apply for coverage or increase coverage at any time. **You must be on active flying status on the date coverage starts (not on paid or unpaid sick leave).** Coverage will become effective only when approved by MetLife based on the individual's evidence of insurability.

New APA members may apply for up to \$500,000 of coverage without proof of insurability as long as the application is made within twelve (12) months of the date you first become eligible to be an APA member. If you apply after twelve (12) months, you will need to prove insurability.

Retired APA members may also be eligible to continue insurance for as long as they desire.

SPOUSE COVERAGE

An APA member may purchase insurance coverage for a spouse whose evidence of insurability is satisfactory to MetLife in an amount of up to 50% of the member's coverage amount up to \$500,000. The APA member must participate for the spouse to enroll.

DEPENDENT CHILD COVERAGE

An insured member may request coverage for dependents. Child/children coverage is provided to age 25. The coverage amount is \$10,000 per child. The monthly premium is \$1.19 per family and covers all eligible dependent children.

CONTINUATION FOLLOWING DEATH OF MEMBER

When your insurance ends or reduces, you may be able to convert some or all of your insurance to permanent, "non-term" life insurance. Please contact the Claims Administrator or MetLife within 30 days of your loss of coverage.

UNDERWRITING STANDARDS

APA members and their dependents who are requesting coverage or increasing their coverage must go to the BenefitElect portal and complete the appropriate health questionnaire. In addition to the information contained in the enrollment form and the health questionnaire, the underwriter may also require additional medical history information in some cases.

If the above information reveals a potential health problem, you will be requested to complete the "statement of health long form" questionnaire located within the BenefitElect website. MetLife reserves the right to request a routine medical examination at MetLife's expense. They will contact you or your spouse if an examination is required. The underwriting and application process normally requires four to five weeks.

CONVERSION PRIVILEGE

When your insurance ends or reduces, you may be able to convert some or all of your insurance to permanent, "non-term" life insurance. Please contact the Claims Administrator or MetLife within 30 days of your loss of coverage.

BENEFICIARY

You may select or change your beneficiary at any time by notifying the Claims Administrator in writing. Members are automatically the beneficiary of their dependent's benefit. A trust may be the owner and/or beneficiary of the benefits.

FORMS OF BENEFIT SETTLEMENTS

Benefit payments are usually paid in a Total Control Account. You or your beneficiary may select an alternate method of periodic income payments, with equal monthly installments of all or part of the proceeds (with interest) paid over a fixed period of time or a single sum. Several other modes of settlement are also available and may be selected by mutual agreement with MetLife.

HOW YOUR INSURANCE TERMINATES

Your coverage will terminate when:

- A. Your APA membership terminates; or
- B. The group master insurance policy terminates; or
- C. You withdraw from the plan or fail to pay the required premium; or,
- D. You have been furloughed for 24 months.

Spouse coverage will terminate when:

- A. The pilot is no longer a member of APA; or
- B. The group master insurance policy terminates; or
- C. The premium for member or spouse is not paid or if the member or spouse withdraws from the plan; or,
- D. You divorce.

Dependent child coverage will terminate when:

- A. The group master insurance policy terminates; or
- B. The child no longer qualifies as a dependent; or
- C. The member's coverage terminates; or
- D. The child reaches the age of 25. This limitation does not apply to incapacitated children.

RENEWABILITY

Your insurance will be renewed as long as you pay the required premiums, continue your APA membership and the plan remains in effect.

REDUCTION IN COVERAGE

There are two reductions when you retire:

- A. At retirement coverage reduces to the lesser of the amount of life insurance in effect immediately prior to retirement or \$125,000.
- B. At age 75 coverage reduces to the lesser of the amount of life insurance in effect immediately prior to age 75 or \$62,500.

There are three reductions for your spouse when you retire:

- A. When the benefit amount for a member reduces, the amount of spouse life coverage is reduced to no more than 100% of the member's coverage.
- B. At age 65 coverage reduces to the lesser of the amount of life insurance in effect immediately prior to the date the spouse attained age 65 or \$125,000.
- C. At age 75 coverage reduces to the lesser of the amount of life insurance in effect immediately prior to the date the spouse attained age 75 or \$62,500.

EXCLUSIONS

The plan will not cover death on account of suicide within two years after the individual's effective date nor will it pay the amount of an increase if death is on account of suicide within two years after the increase is made. Premiums for any amount not payable on account of this exclusion will be returned. While no other exclusions currently apply, APA reserves the right to modify the exclusions for coverage under the plan subject to state approval.

MILITARY FLYING

This policy will pay for death resulting from any military operation, including reserve or active duty flying.

INDIVIDUAL CERTIFICATES

The group master policy is between the Allied Pilots Association as plan sponsor and MetLife. In accordance with the policy, an individual certificate will be issued to each insured member describing the benefits and rights.

AUTOMATIC MONTHLY PAYMENT

Participating members pay the required premiums for themselves and their covered dependents. The method of premium payment is through an automatic monthly deduction from the financial institution of your choice.

BIRTHDATE RATE CHANGES

All age band rate adjustments will be applied at the end of the calendar year in which the plan participant attains the specified age unless the age band rate adjustment occurs coincident with a benefit reduction.

POSSIBLE REDUCTION IN COST

The gross premium rates reflected in the schedule on pages 7 and 8 have been determined to be adequate to support “average” claims experience. To the extent that the plan has better-than-average claims experience and the gross premium rates provide more funds than the plan will be required to pay in benefits and expenses, the plan has been designed to refund potential excess premiums following a deposit to the reserves.

GRANDFATHERED COVERAGE PARTICIPANTS

If you desire to move to the Enhanced Coverage, you may do so at anytime pending acceptance of your application and satisfactory evidence of insurability to MetLife. Once you change to the Enhanced Coverage, you may not move back to the Grandfathered Coverage.

Voluntary Accidental Death & Dismemberment Insurance For Active Members

Eligible participants in the Enhanced Life Insurance Coverage may purchase Voluntary Accidental Death & Dismemberment Insurance (“VADD”) coverage for themselves and their families for an additional premium. This coverage is very similar to the Company’s Voluntary Personal Accident Insurance (VPAI) coverage. The following describes many of the key features of this coverage:

ELIGIBILITY

This VADD coverage is available to all participants in the Enhanced Life Insurance Coverage who are on active flight status at the time the coverage becomes effective. (Participants in the Grandfathered Coverage are not eligible for this VADD coverage.) This VADD coverage terminates when you are no longer eligible for enhanced life coverage or you retire, if earlier.

FAMILY COVERAGE

APA Members who purchase VADD coverage for themselves have the option to purchase family coverage for their spouse and dependent children.

COVERAGE AMOUNTS

Eligible participants may purchase coverage in the amounts of \$250,000 or \$500,000 for themselves. Family coverage is a percentage of the amount of the member’s coverage and is based on the composition of the member’s family at the time of loss. The following chart shows the family coverage benefits:

- Spouse Only Coverage **70%** of member amount
- Spouse and Children:
 - Spouse **60%** of member amount
 - Children **10%** of member amount
- Children Only **25%** of member amount

MONTHLY PREMIUMS

Eligible participants electing this optional VADD coverage must make an additional premium depending on the type of coverage selected. The cost of this optional VADD coverage is \$.02 per \$1,000 of coverage for member only coverage and \$.03 per \$1,000 of coverage for family coverage. The following chart shows the monthly premiums:

Your insurance needs less your normal death coverage determines your supplemental coverage need. This is the coverage that should be provided by the APA Group Term Plan.

Value Added Services

This insurance comes with a variety of added features that can provide assistance to you and your family members today and during a difficult time.

Will Preparation Services

To help ensure your decisions are carried out

Like life insurance, a carefully prepared Will (Simple, Complex or Living) along with a Power of Attorney are important. With a Will, you can define your most important decisions such as who will care for your children or inherit your property.

Living Will:

- Ensures your wishes are carried out, and protects your loved ones from making these very difficult and personal medical decisions by themselves.
- Also called an "advanced directive," it is a document authorized by statutes in all states. A person appoints someone as his/her proxy or representative to make decisions on maintaining extraordinary life-support if the person becomes incapacitated so that he or she cannot communicate his or her wishes.

Power of Attorney:

- Allows you to plan ahead by designating someone you know and trust to act on your behalf in the event of unexpected occurrences or if you become incapacitated. It is a written document that grants an individual the power to act on the grantor's behalf.

By enrolling in the plan, you will have access to Hyatt Legal Plans' network of 11,500+ participating attorneys.* When you use a participating plan attorney there will be no charge for the services. Simply call Hyatt Legal Plans' Toll-Free Number, 1-800-821-6400, Monday – Friday, 8:00 a.m. – 6:00 p.m. Eastern Time to speak to a representative. You'll be asked to provide Allied Pilots Association's group #113529 and the last four digits of your Social Security number.

** You also have the flexibility of using an attorney who is not participating in the Hyatt Legal Plans' network and being reimbursed for covered services according to a set fee schedule. In that case you will be responsible for any attorney's fees that exceed the reimbursed amount.*
